

## Site Overview

- **Presence:**  
Since 1997
- **Headcount:**  
2,963 Approx.
- **Footprint:**  
210K sqft manufacturing space  
30K sqft distribution center
- **Markets served:**  
Automotive, Commercial, Recreational  
and Appliance applications
- **Site Leader:**  
Jose Soledad

# Juarez North

## Manufacturing Services

- Design and development.
- Prototype part fabrication.
- High-volume and low-volume manufacturing.
- Heavy 00 gage to small 26 gage.
- Single circuit to 200+ circuits.
- Grommet and seal over-molding.
- On and off-line electrical testing.
- IKS System
- Wire and terminal over-molding.
- Center strip terminations.
- Die cast terminal processing.
- Resistance and ultrasonic welding.
- Semi-automatic and automatic terminations.
- Vacuum and pressure testing.
- USCAR testing.
- Design validation testing.
- Tooling development & fabrication.

## Logistics

- Close to the border
- El Paso TX Warehouse

## Product examples

- Battery Cables
- Wire Harnesses
- Aluminium Cables
- Transmission & Engine Harnesses
- Vertically integrated wire and electronics harness applications.

## Certifications

- TS16949/2008
- ISSO 14001
- Ford Q1

## Market Served

Manufacturing

Automotive
