Flex's Lynn Torrel Named a 2021 Pro to Know by *Supply & Demand Chain Executive*

Annual Recognition Honors Supply Chain's Top Professionals

San Jose, Calif., March 17, 2021 – [Flex](#) (NASDAQ: FLEX) today announced that Chief Procurement and Supply Chain Officer Lynn Torrel has been named to *Supply & Demand Chain Executive's* 2021 list of Pros to Know. The award recognizes outstanding executives whose accomplishments offer a roadmap for other leaders looking to leverage supply chain for competitive advantage.

"The past year has been an incredibly challenging environment for supply chain professionals," said Lynn Torrel. "It may be my name on the list but succeeding during this difficult time requires a level of collaboration and creativity that only a world-class team could reach. On behalf of the entire Flex team and our customers and suppliers, I am grateful to *Supply & Demand Chain Executive* for this honor."

The award recognizes Lynn and her team for their leadership overseeing one of the world's largest and most complex supply chains, and successfully navigating through the challenges brought on by the global pandemic.

"While many companies have struggled to re-gain their footing as a result of COVID-19, this year's Pros to Know winners stepped up to the plate to deliver innovative solutions and programs in a time of crisis and need. These winners collaborated, optimized, developed, educated and played a critical role in the survival and success of their company amid a global pandemic," says Marina Mayer, Editor-in-Chief of *Supply & Demand Chain Executive* and *Food Logistics*. "I am honored to recognize these individuals and teams and extend my utmost gratitude to everyone in the supply chain industry for their time, efforts and innovations to keep our nation's supply chains afloat."
