

Mike Thoeny

President, Automotive
Business Group

Mike Thoeny is President of the Automotive Business Group at Flex, the global manufacturing partner of choice that helps a diverse customer base design and build products to improve the world.

In his capacity, Mr. Thoeny is responsible for the overall enterprise vision, strategy, business planning, development and execution of the Flex automotive business. Additionally, he is developing programs to expand the global Flex automotive customer base as well as the technology evolution of the company's automotive portfolio.

Mr. Thoeny has over 30 years of international automotive experience and has held executive leadership positions at Aptiv and Delphi. In his previous roles, he was responsible for P&L and engineering in the areas of Autonomous Driving and Advanced Driver Assistance Systems (ADAS), vehicle electrification, body and chassis electronics, and displays.

Mr. Thoeny holds a bachelor's degree in electrical engineering from Rose-Hulman Institute of Technology and an MBA in marketing from Indiana University Kelley School of Business.
