1.0 Introduction

The purpose of this User Guide is to instruct the Suppliers how to access **aQuire**, via **Flex's** Single Sign On (SSO) application, **Okta**.

aQuire is **Flex' branded version of Ivalua**, an industry leader in Source-to-Pay procurement solutions.

You have been invited to respond to an RFx (Request for Quote, Information or Proposal), respond to a Questionnaire, or provide certifications or documents utilizing the **aQuire** platform.

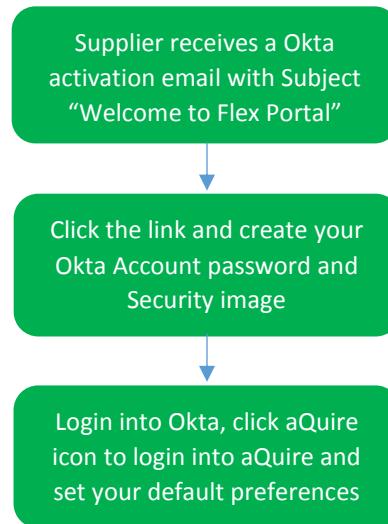

Flex has several applications that are accessed via **Okta**; aQuire (Source-to-Pay), Vendor Portal (Invoicing), FSP (Forecast, PO, ASN), eSourcing (Auctions) and a few others.

1.1 Quick Reference Guide

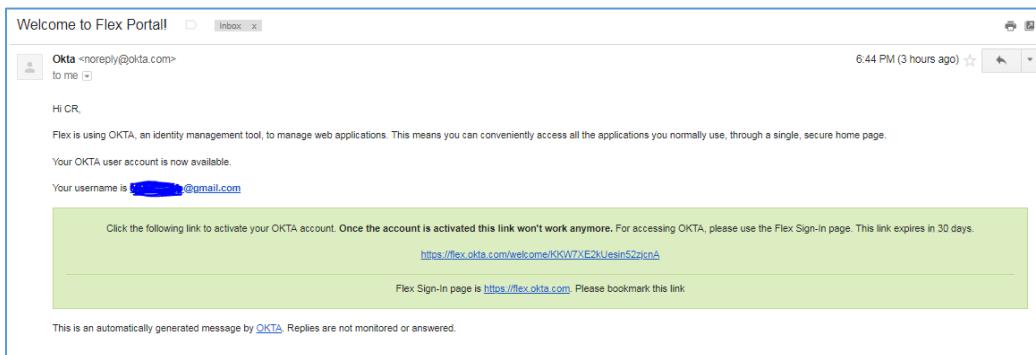

1. If you have **never** been invited to participate in any Flex application, via **Okta**, then go to section [2.0 First time Okta users](#)
2. If you have been invited to participate in at least one Flex application, via **Okta**, you have logged into the system and are actively using it, then go to section [4.0 Existing Okta users, login to Okta https://flex.okta.com](#)
3. If you have been invited to participate in at least one Flex application, via **Okta**, and you have logged into the system, but forgot your password, then go to section [5.0 Forgot Password](#)
4. If you have been invited to participate in at least one Flex application, via **Okta**, and you have never logged into the system and your account has been locked, then go to section [6.0 Unlock Account](#)

2.0 First time Okta users

If you are here it's because you have received the "Welcome to Flex Portal" email from Okta and this is the first time you will login to Okta. Follow the below Steps:

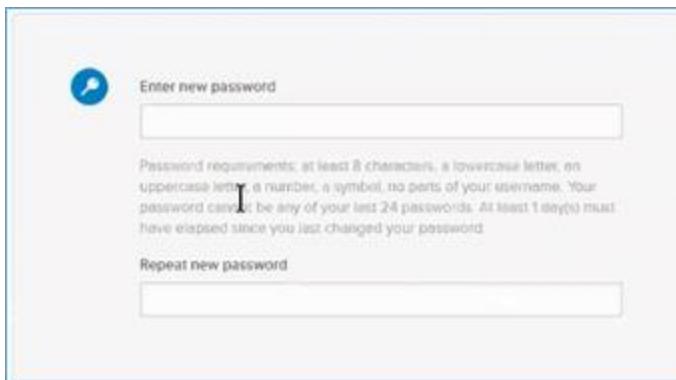

Step 1: Click the link underlined in blue to activate your Okta account

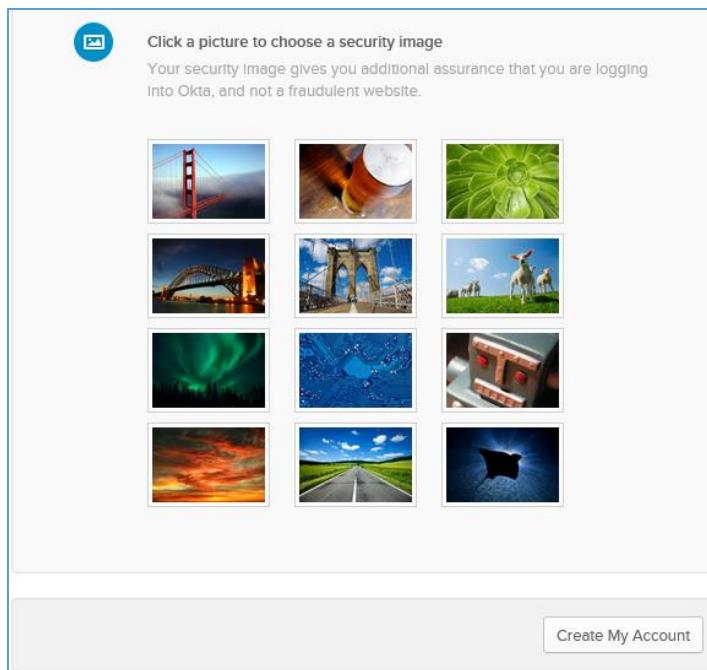

- Once Activation link is accessed from the email it will automatically expire and cannot be utilized again.
- Activation link will be valid only for 30 days from the date of receipt of the email from Okta, if you forgot / missed to activate, then go to section [**3.0 First time Okta users, but missed to open the link within 30 days**](#)

Step 2: Setup your new password and confirm the same

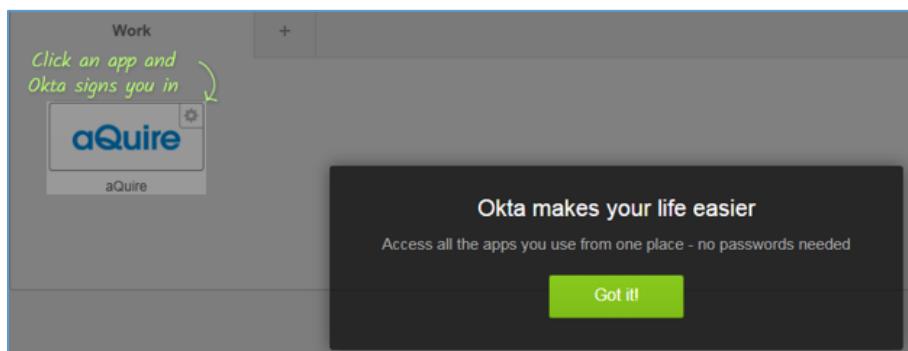

Step 3: Once the password is provided, you need to assign a Security image for your profile, this Security image will help you to retrieve your password in case of forgot password.

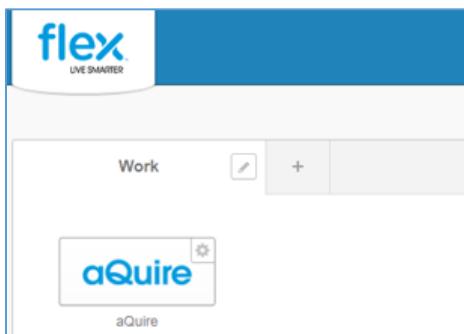

Step 4: Once done Click “Create My Account”

Step 5: You will be guided to Okta Menu page, click on “**Got it!**”

Step 6: Click the **aQuire** application icon to login

Step 7: You have successfully logged into **aQuire**, go to section [7.0 First time aQuire users, Mandatory setup](#) to complete the one-time setup requirements.

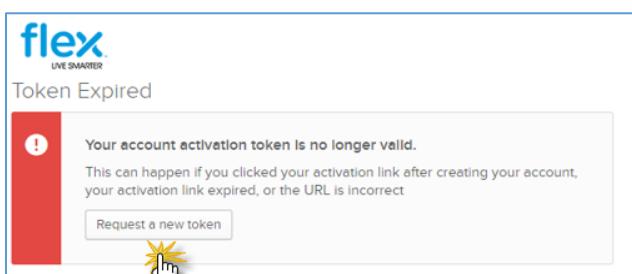

3.0 First time Okta users, but missed to open the link within 30 days

If you missed to open the invitation mail from Flex within 30 days from the date of receipt of the email, then your token is expired, and the below message will be displayed.

Follow these steps to resolve:

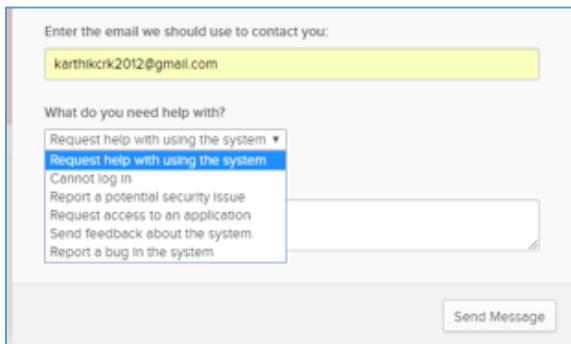

Step 1: Click **Request a new token** button

Step 2: Input your email address

Step 3: Select a reason from the drop-down options

Step 4: Click **Send Message** button

Enter the email we should use to contact you:
kerthikcrk2012@gmail.com

What do you need help with?

Request help with using the system

Request help with using the system

Cannot log in

Report a potential security issue

Request access to an application

Send feedback about the system

Report a bug in the system

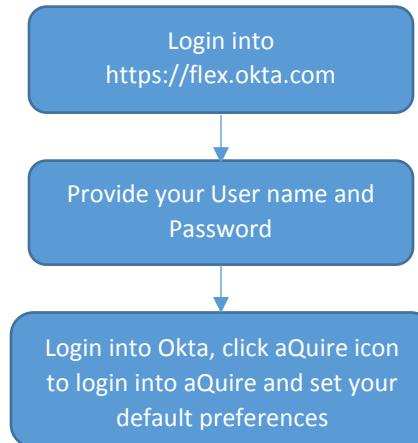

Send Message

Step 5: Once the message is sent, you will be receiving the email with activation link from Okta again, go to section [2.0 First time Okta users](#) to login.

4.0 Existing Okta users, login to Okta <https://flex.okta.com>

If you are already logging into Okta to access another Flex application, i.e. Vendor Portal, FSP, eSourcing, etc., then you will **not** receive the “Welcome to Flex Portal” email from Okta.

Follow these steps to login:

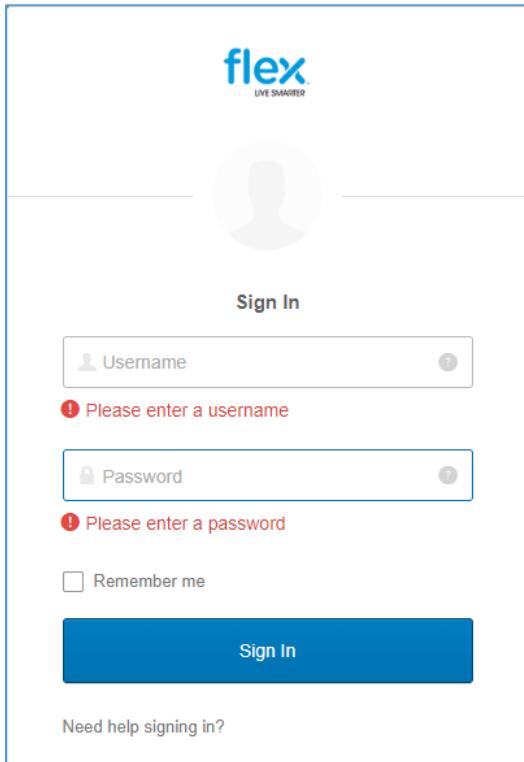

Step 1: From Chrome browser input <https://flex.okta.com>

Step 2: Bookmark this page for future login purposes

Step 3: Input your Username and password

Step 4: Click “Sign In”

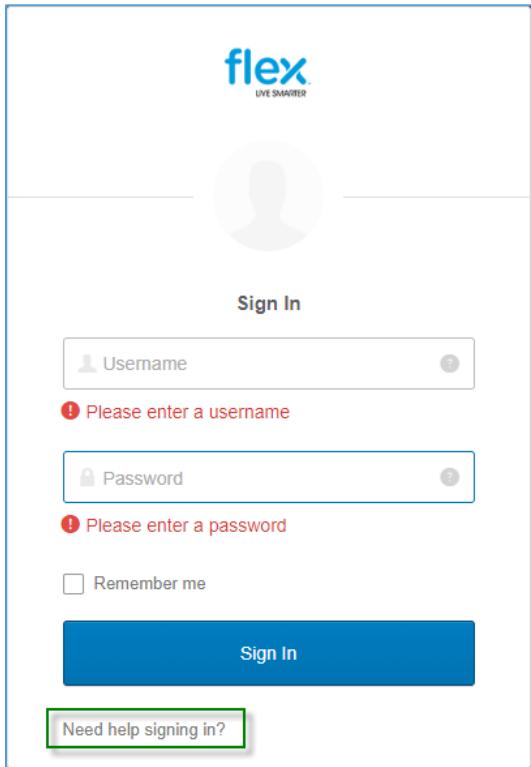

The image shows a sign-in page for the 'flex' brand. At the top is the 'flex' logo with the tagline 'LIVE SMARTER'. Below the logo is a placeholder user icon. The page is titled 'Sign In'. It features two input fields: 'Username' and 'Password', both with placeholder text and a question mark icon. Below these fields are two error messages: 'Please enter a username' and 'Please enter a password', both preceded by an exclamation mark. There is a 'Remember me' checkbox and a large blue 'Sign In' button. At the bottom of the form is a link 'Need help signing in?'

Step 5: You have successfully logged into **aQuire**, go to section [7.0 First time aQuire users, Mandatory setup](#) to complete the one-time setup requirements.

5.0 Forgot Password

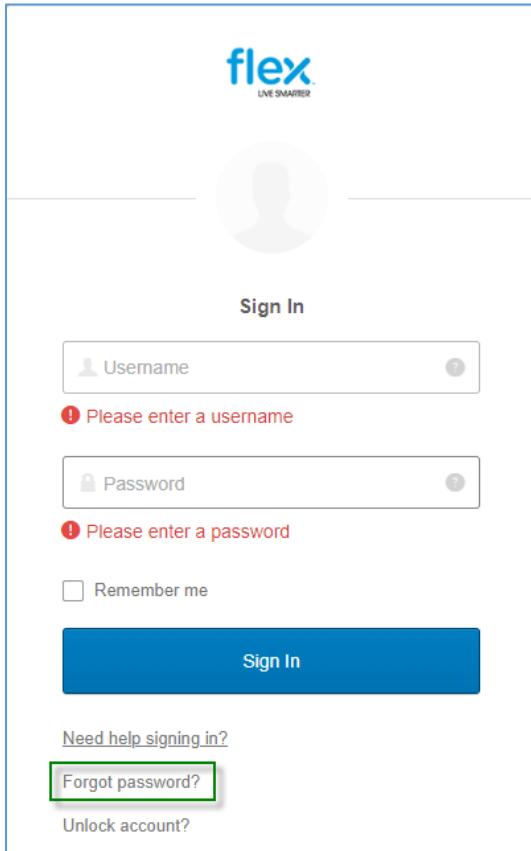

Follow these steps to reset your password:

Step 1: Click on “Need help Signing in?”

The image shows the flex sign-in page. At the top is the flex logo with the tagline "LIVE SMARTER". Below the logo is a placeholder user icon. The page title "Sign In" is centered. There are two input fields: "Username" and "Password", both of which have red error messages below them: "Please enter a username" and "Please enter a password" respectively. Below the password field is a "Remember me" checkbox. A large blue "Sign In" button is centered at the bottom. At the very bottom, there is a link "Need help signing in?" which is highlighted with a green box.

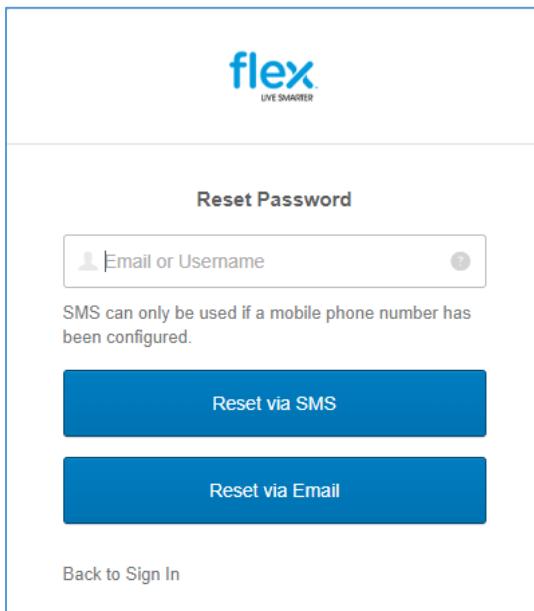

Step 2: Click on “Forgot password?”

The image shows the flex sign-in page, identical to the one above but with a different focus. The "Forgot password?" link at the bottom of the page is highlighted with a green box. The rest of the page, including the logo, fields, and other links, is in its standard state.

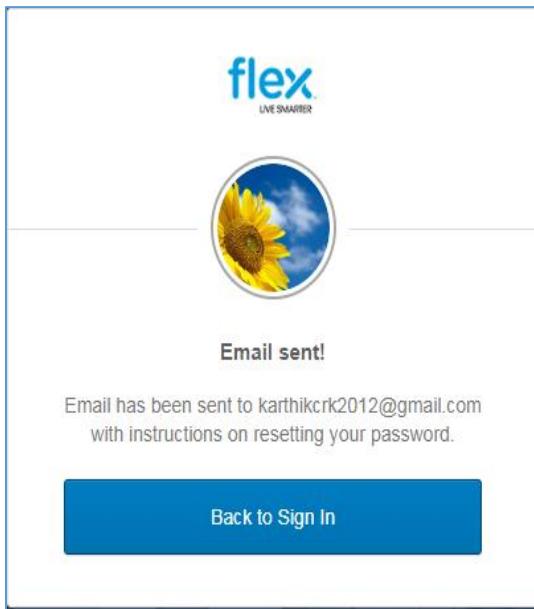

Step 3: Key in your email address

Step 4: Click “Reset via Email” or “Reset via SMS” if your mobile number is registered in Okta

The image shows a 'Reset Password' page. At the top is the flex logo. Below it is a text input field labeled 'Email or Username'. A note below the field states: 'SMS can only be used if a mobile phone number has been configured.' There are two large blue buttons: 'Reset via SMS' and 'Reset via Email'. At the bottom is a link 'Back to Sign In'.

Step 5: The following message will appear, click “Back to Sign In”

The image shows a confirmation page. It features the flex logo and a decorative sunflower icon. The text 'Email sent!' is displayed, followed by a message: 'Email has been sent to karthikcrk2012@gmail.com with instructions on resetting your password.' At the bottom is a blue button labeled 'Back to Sign In'.

Step 6: Receive an email with the subject “Flex Portal Account Password Reset”

Flex Portal Account Password Reset Inbox x

Okta <noreply@okta.com>
to me ▼

Hi CR,

A password reset request was made for your Okta account. If you did not make this request, please contact your system administrator immediately.

Click this link to reset the password for your username, ████████@gmail.com:

https://flex.okta.com/signin/reset-password/2txg_rx5rj1GSykNwmR

This link expires in 2 days.

If you experience difficulties accessing your account, send a help request to your administrator.

This is an automatically generated message by [Okta](#). Replies are not monitored or answered.

Step 7: Follow the instructions provided in the email and click the password reset link to reset your password, provide your New password and reconfirm the same.

Reset your Okta password

Password requirements: at least 8 characters, a lowercase letter, an uppercase letter, a number, a symbol, no parts of your username. Your password cannot be any of your last 24 passwords. At least 1 day(s) must have elapsed since you last changed your password.

New password ...

Repeat password ...

Reset Password

Note: The Password reset link will be valid only for 2 days

Step 8: Once the Password is reset you will be guided to the Okta Home page, go to section [4.0 Existing Okta users, login to Okta <https://flex.okta.com>](#)

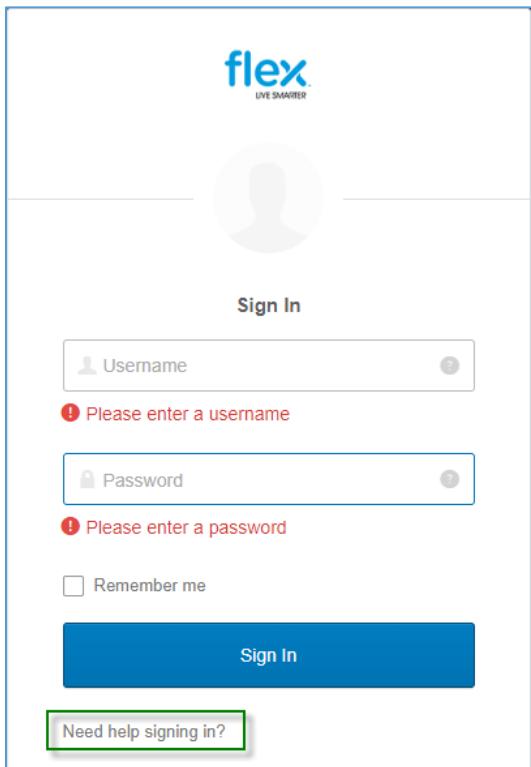

6.0 Unlock Account

Your account could be locked due to any of the below reasons:

1. Five (5) continuous failed attempts to login to Okta
2. Set forgot password incorrectly
3. Not logged into Okta account in past 90 days
4. Your account has been locked in Flex

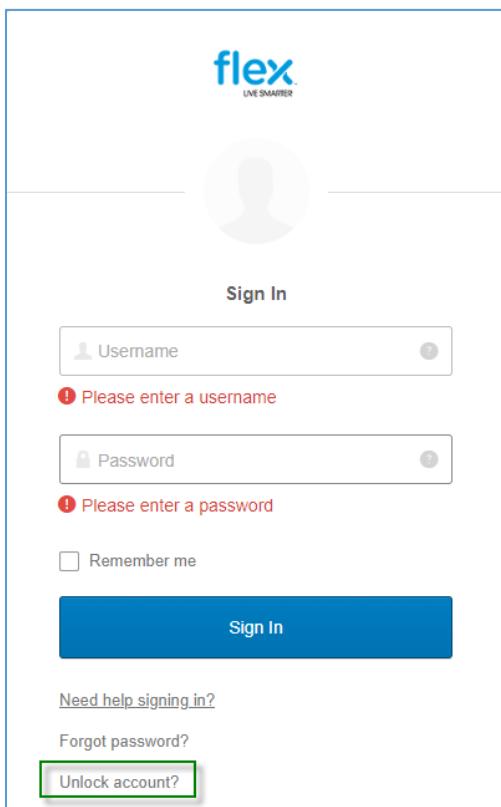

Follow these steps to Unlock your Account:

Step 1: Click on “Need help Signing in?”

The screenshot shows the flex sign-in page. At the top is the flex logo with the tagline "LIVE SMARTER". Below it is a placeholder user icon. The main area is titled "Sign In". It contains two input fields: "Username" and "Password", both of which have red error messages: "Please enter a username" and "Please enter a password" respectively. Below the fields is a "Remember me" checkbox and a large blue "Sign In" button. At the bottom of the page, the text "Need help signing in?" is enclosed in a green rectangular box.

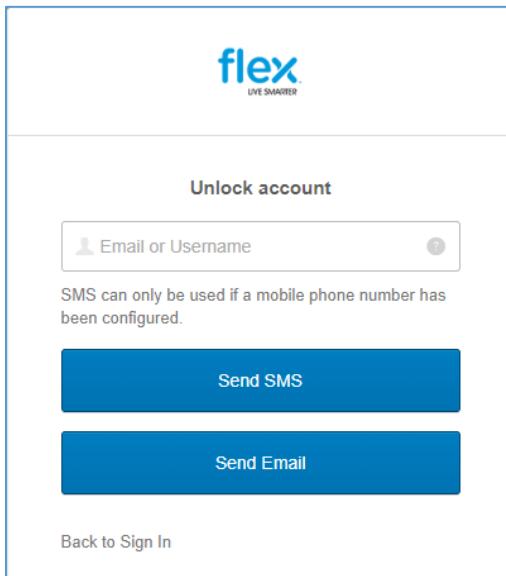

Step 2: Click on “Unlock account?”

The screenshot shows the flex sign-in page, identical to the previous one but with a different highlighted link. The "Need help signing in?" link from the previous step is now in a standard black font. Instead, the "Unlock account?" link at the bottom of the page is highlighted with a green rectangular box.

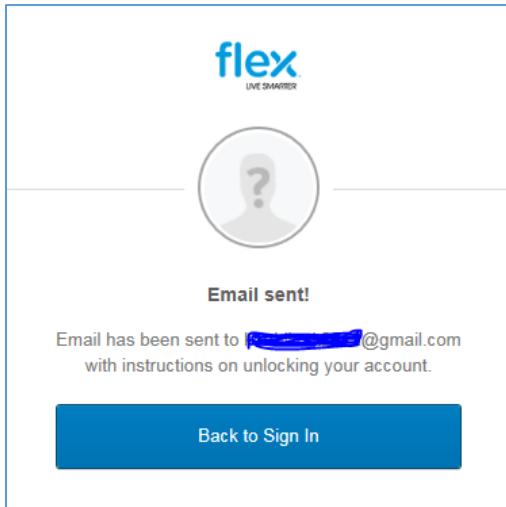

Step 3: Key in your email address

Step 4: Click “Reset via Email” or “Reset via SMS” if your mobile number is registered in Okta

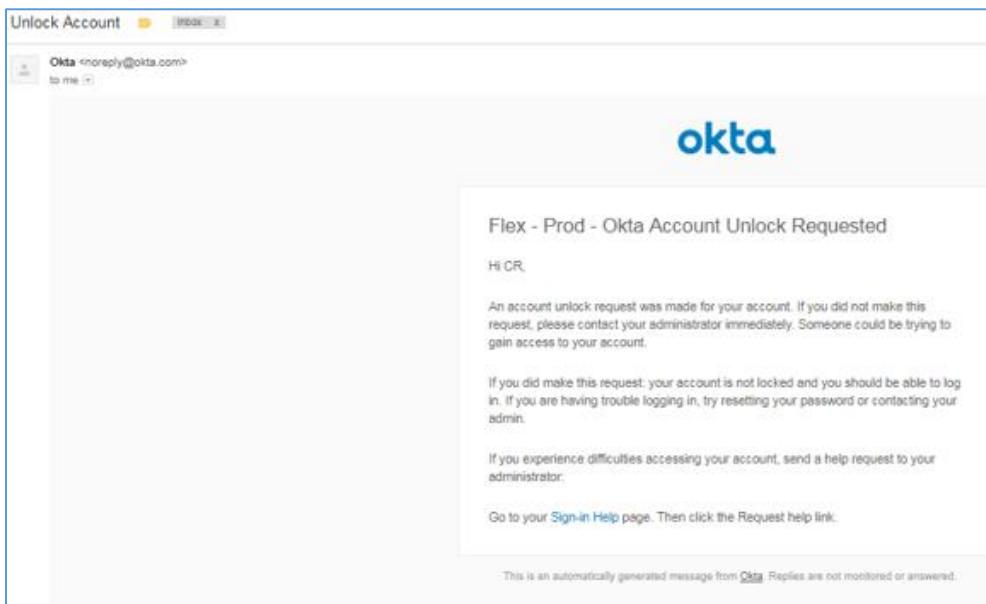

The screenshot shows the 'Unlock account' page. At the top is the flex logo with the tagline 'LIVE SMARTER'. Below it is a sub-header 'Unlock account'. A text input field is labeled 'Email or Username'. A note below the field states: 'SMS can only be used if a mobile phone number has been configured.' Two large blue buttons are present: 'Send SMS' and 'Send Email'. At the bottom is a link 'Back to Sign In'.

Step 5: The following message will appear, click “Back to Sign In”

The screenshot shows a confirmation message. It features the flex logo and a circular icon with a question mark. The text 'Email sent!' is displayed, followed by a message: 'Email has been sent to [REDACTED]@gmail.com with instructions on unlocking your account.' A large blue button at the bottom is labeled 'Back to Sign In'.

Step 6: You will receive a mail from Okta with subject “Unlock Account”

Step 7: Now your account has been unlocked, go to section [4.0 Existing Okta users, login to Okta https://flex.okta.com](#)

7.0 First time aQuire users, Mandatory setup

Now that you have successfully logged into **aQuire** there are a few one-time setup's required.

7.1 Accept the “Authorized User Terms of Use”

Step 1: Check the box ‘I accept terms and conditions’

Step 2: Click the **Validate** button

You have to accept terms and conditions in order to continue.

AUTHORIZED USER TERMS OF USE

These Software Terms of Use (“Terms of Use”) govern your use of the aQuire software (the “Software”), including all user manuals, technical manuals, and any other materials provided by Flex, in printed, electronic, or other form, that describe the Software or its use or specifications (the “Documentation”) provided to you (“you” or “your”).

BY CLICKING THE “ACCEPT” BUTTON YOU ACCEPT THESE AUTHORIZED USER TERMS AND AGREE THAT YOU ARE LEGALLY BOUND BY THEM. IF YOU DO NOT AGREE TO THESE TERMS OF USE, DO NOT CLICK THE “ACCEPT” BUTTON AND YOU WILL HAVE NO LICENSE TO, AND MUST NOT ACCESS OR USE, THE SOFTWARE.

1. License Grant. Subject to your strict compliance with these Terms of Use, Flex hereby grants you a non-exclusive, non-transferable, non-sublicensable, limited license to use the Software solely in accordance with the Documentation. The foregoing licensee will terminate immediately on the earlier to occur of:

- (a) the expiration or earlier termination of the software license agreement between Flex and licensor; or
- (b) your ceasing to be authorized by Flex to use the Software for any or no reason.

2. Use Restrictions. You shall not directly or indirectly:

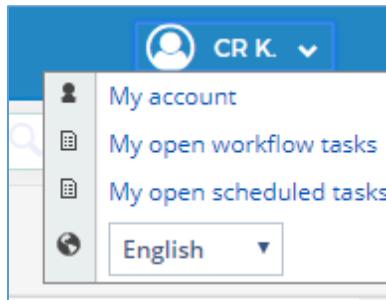

I accept terms and conditions

Validate **Print**

Step 3: You will be directed to the Supplier Portal Home page, as illustrated below:

7.2 Setup your default preferences in aQuire

Step 1: Go to “My account”, which is a dropdown next to your name on the top right corner of your screen.

Step 2: Setup “My Preferences” for the following fields as illustrated below:

- Default Language
- Default Country
- Time Zone
- Currency

Step 3: Click Save

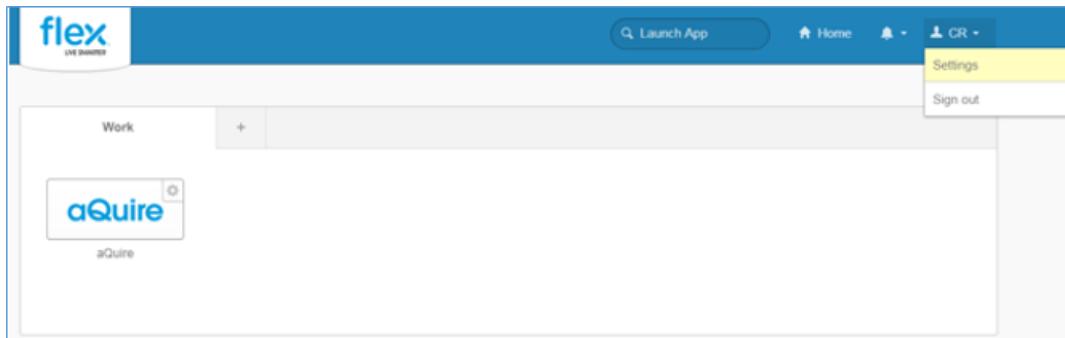

Do NOT change your First Name, Last Name nor Email!!!

If this information needs to be updated send a request to your Flex Contact

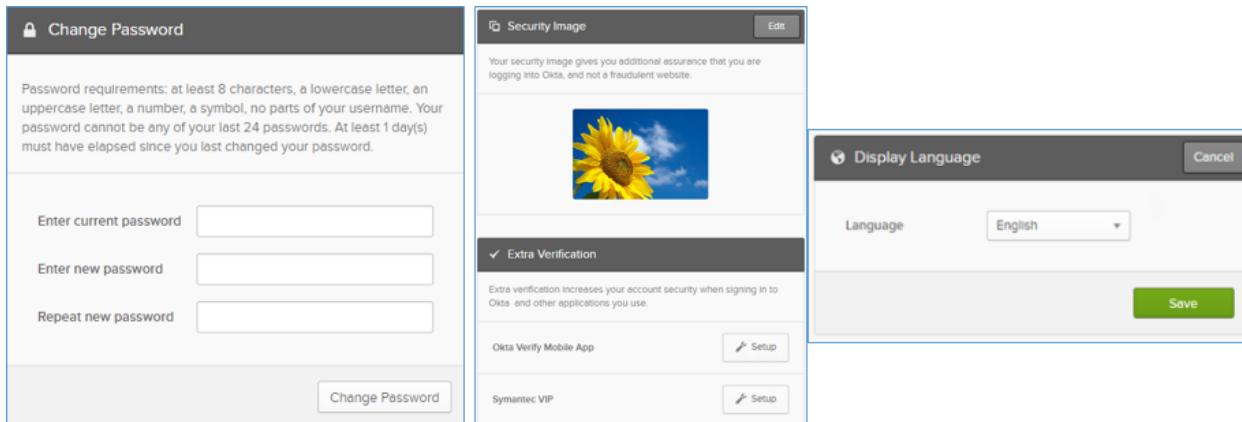

8.0 Change Okta Preferences

You can change your Okta preferences at any time based on the below steps:

Step 1: in your Okta home page go to Setting, which will be a dropdown available near your name at the top right corner in your Okta home page.

Step 2: Change your preferences like Password, Mobile login, Security image and Display Language.

The image displays three screenshots of the Okta mobile application interface:

- Change Password:** A screen for changing a password. It includes fields for "Enter current password", "Enter new password", and "Repeat new password". A "Change Password" button is at the bottom.
- Security Image:** A screen for managing a security image. It shows a sunflower image and includes an "Edit" button. A note states: "Your security image gives you additional assurance that you are logging into Okta, and not a fraudulent website."
- Display Language:** A screen for setting the display language. It shows a "Language" dropdown set to "English" and a "Save" button.

Step 3: Click “Save” to save your preferences.

9.0 Frequently asked Questions

9.1 Which Browser should I use to access aQuire?

The preferred browser to access **aQuire** is Chrome

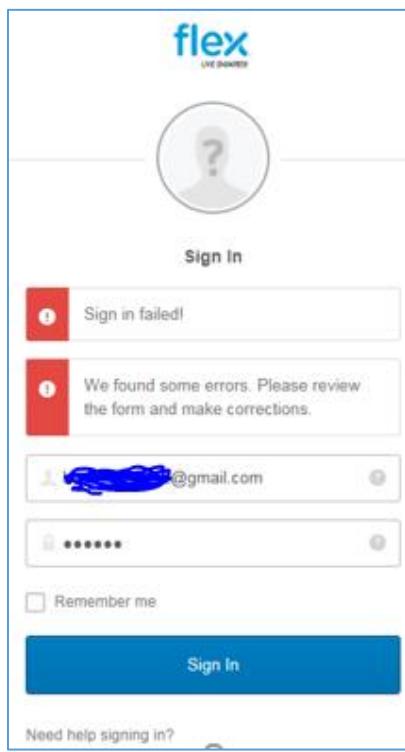

9.2 Who do I contact if I have questions?

If you have questions, please reach out to the Flex Contact that invited you to participate in the **aQuire** platform; i.e. the Site Buyer, Regional/Global Commodity Manager or Corporate Quality.

9.3 What do I do if I did not receive the “Welcome to Flex Portal” email?

Go to section [1.1 Quick Reference Guide](#): to determine which steps to follow

9.4 What do I do if I get the “Sign in failed!” message?

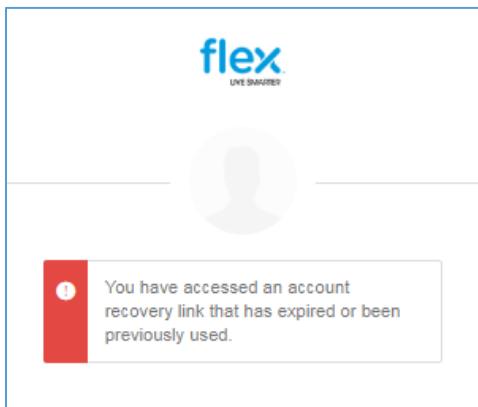

Step 1: Go to section [5.0 Forgot Password](#)

Step 2: If still the issue exists, go to section to [6.0 Unlock Account](#) follow those steps and then go to section [5.0 Forgot Password](#)

Step 3: If still the issue exists, reach out to your Flex Contact for Support, include a screen shot of the error message.

9.5 What do I do if my forgot password link expired?
