

Kevin Krumm

Chief Financial Officer

Kevin Krumm is the chief financial officer at Flex, the advanced, end-to-end manufacturing partner of choice that helps market-leading brands design, source, build, deliver, and manage products that improve the world.

Mr. Krumm oversees the finance function, spanning corporate accounting, financial planning and analysis, internal audit, investor relations, tax, and treasury. In his role, he is focused on shareholder value creation and driving the company's long-term financial framework, which includes consistent revenue growth, earnings expansion, cash generation, and disciplined capital allocation.

Mr. Krumm joins Flex with more than 25 years of experience providing products and services across the industrial, chemical, and healthcare industries. His deep operational and public company finance background, including substantial international, M&A and commercial experience, will be leveraged and instrumental in helping achieve Flex's margin expansion goals and growth goals.

Previously, he served as executive vice president and chief financial officer of APi Group Corporation, a global market-leading business services provider of safety and specialty services. Prior to APi Group, Mr. Krumm had a 15-year tenure at Ecolab Inc. in various roles of increasing responsibility, most recently as corporate treasurer and senior vice president of Global Financial Shared Services.

He began his career in public accounting working for consulting firms PricewaterhouseCoopers, Arthur Andersen, and Deloitte with a heavy emphasis on M&A and corporate finance.

Mr. Krumm holds a bachelor's degree in accounting from the University of Northern Iowa and a master's in business administration from the University of Chicago Booth School of Business.
