

Quality policy

We are focused in our customers' ultimate success and satisfaction, and are committed to:

- Delivering innovative designs, products and services through world-class supply chain solutions, real-time information and the latest emerging technologies.
- Maintaining the highest quality standards through continuous process improvements and a zero defect culture.
- Ensuring employee diversity and inclusion, while fostering ethical decision making.
- Embracing and driving sustainable practices wherever possible.
- Continually improving our Quality Management System and maintaining its effectiveness, to ensure full compliance with regulatory and statutory requirements.

Revathi Advaiti, CEO

Flex (Reg. No. 199002645H) is the manufacturing partner of choice that helps a diverse customer base design and build products that improve the world. Through the collective strength of a global workforce across 30 countries and responsible, sustainable operations, Flex delivers technology innovation, supply chain, and manufacturing solutions to various industries and end markets.
